SENATOR F. LEWIS: That's exactly correct. That bill is on the board. I'm going to ask my Committee to take that as a priority bill.

SENATOR BEREUTER: Thank you.

PRESIDENT: Senator Clark.

SENATOR CLARK: I was going to ask Senator Lewis if he would mind waiting and putting this on Select File. He wanted to know if this was a surprise to us and it certainly is. I haven't seen it before at all. I don't think any other members have seen it. Certainly, we'd like to have time to look it over. This is going to be in conflict with the next bill also which is a complete internal reallocation of money which may kill the bill at that time. I don't know. But this is an internal reallocation of money on the next bill which would take care of the same situation that they ask for. Certainly I'd hate to see it put on General File when we've just now seen it. I would much prefer he'd put it on Select File, if he doesn't mind.

SENATOR F. LEWIS: Well, Senator Clark, I wouldn't mind holding the bill up until Monday so we'd all have a chance to review it by then. There's two or three other amendments I have an interest in. If it's alright with you I'd ask unanimous consent to hold 752 until Monday.

SENATOR CLARK: I wouldn't care about holding the bill up. That would be fine with me.

PRESIDENT: Alright. There is a request for unanimous consent to bracket LB 752 until Monday. Is there an objection? Seeing none, it's so ordered. LB 756.

CLERK: Read title to LB 756. Mr. President, there are no Committee amendments. There is an amendment offered by Senator Marvel.

SENATOR CLARK: What this bill does is an internal reallocation of money within the Department of Education. I think perhaps we should hold this bill up with the other bill because that's all it does. Looks like all this particular amendment does is add \$1. On line 25, strike "525,823" and insert "525,824". On page 5, line 3, strike "\$1,124,640" and insert "\$1,124,641". I think all it does is add \$1.00. Senator Stoney says I'll give you the dollar if I won't offer the amendment. We can advance this bill on to Select File if it's alright with Senator Lewis. We could always amend the other one or bring it back, either way. I'd move for the advancement of the bill ... or adoption of the amendment first. All this amendment does is add \$1.00 as near as I can figure.

PRESIDENT: Alright. That's the motion. Senator Warner.

SENATOR WARNER: What's the amendment, Vince? I didn't catch it.

CLERK: The amendment is on page 4, line 25.
